Thank you for making our Indiegogo a SUCCESS!

Thank You!!

We're extending a big thank you to all of you who donated to our Indiegogo campaign. This was the first time we have orchestrated a funding campaign in this way and we are so grateful of reaching our funding goal of \$15,000. Your donations will help fund our world premiere production of ***Formulae & Fairy Tales*** at The Broad Stage in Santa Monica on Friday, September 13 and Saturday, September 14.

If you didn't get a chance to donate during the campaign, you can still show your support by contributing via Indiegogo through September 21. We hope to raise an **additional \$2,200** to cover the fees associated with using the Indiegogo platform.

Tickets are available for the ***Formulae & Fairy Tales*** World Premiere at The Broad Stage in Santa Monica on Sept 13-14!

On September 13 and 14th, Invertigo Dance Theatre will offer the world premiere of its newest work, ***Formulae & Fairy Tales***, at The Broad Stage in Santa Monica. The piece celebrates Turing's genius, wit, and creativity, casting his life into the Technicolor and mythologized ideas of his favorite film: Snow White and the Seven Dwarfs. This is our biggest show yet, and a great opportunity to grow our Invertigo community. If you have a friend who would like Invertigo, we want to meet them at the ***Formulae & Fairy Tales*** premiere!
