## Help us share dance with people of all ages and abilities!

A Dancing Through Parkinson's Class Photographed by Ginger Sole Photography

[Give Now](#)

Your donation helps us create connections and community through dance programming that is compelling, thought-provoking, and accessible.

Our Dancing Through Parkinson's and Invert/ED programs are flourishing at class locations across Los Angeles County, and the company is creating and performing bold new works.

This year we have performed in the Los Angeles Dance Festival and danced

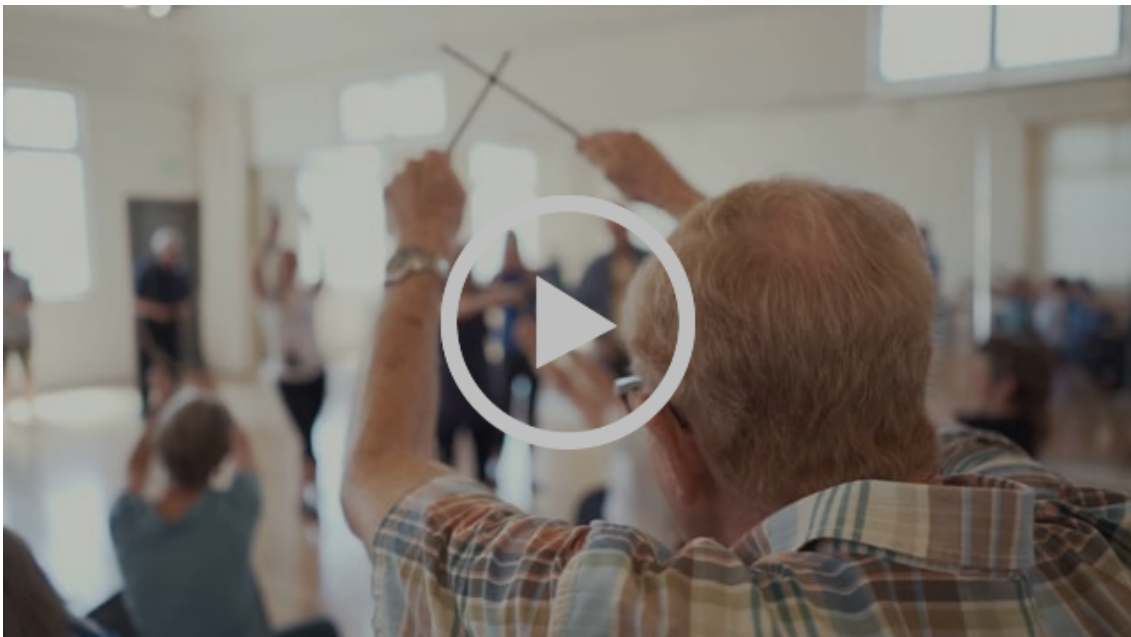

with the Independent Shakespeare Company again in their annual Griffith Park Shakespeare Festival, which is free and open to the community. Our newest work *Formulae and Fairy Tales* had a successful premiere this Fall at The Broad Stage in Santa Monica and will continue to tour during the 2020-21 season, kicking off with a performance at the University of Florida Performing Arts' Phillips Center on Wednesday, February 5, 2020.

We are grateful for your continued support and hope you consider making a tax-deductible donation to Invertigo Dance Theatre.

## Living On One: Micro-Documentary

[Click here to watch the video](#)

[Optimist Films](#), an independent documentary company, collaborated with DTP to create a micro-documentary.

The video captures our participants engaging in the exploration of dance as an art form, celebrating creativity and community. Check out the video to see the positive and powerful stories made possible by the teachers and the dancers of DTP.

Dancers from all the DTP classes joined the Monday, Electric Lodge group for this project.
