Invertigo Cares!

Photo by Joe Lambie

I'm not going to use the phrase "in these unprecedented times." (How many emails have started that way???) We're all going through it, in one way or another. We all still want to bake each other cookies, give hugs, make soup... show up. That's the heart of it, isn't it? We want to show up for one another.

So Invertigo is showing up for you and yours. We've created a customized care package you can send to a family member, a friend, an enemy you're trying to lull into a false sense of security, a co-worker... and it won't need disinfectant wipes when it arrives in their inbox.

What's in the care package?

- A customized gallery of beautiful dance photography
- Invertigo's previously unreleased-on-the-internet dance film, "Mine"

- A Dancing Through Parkinson's dance film that will make your heart happy
- Exclusive excerpts of Invertigo performances (we've chosen excerpts that are beautiful, funny, hopeful, tender... you get it.)
- A beautiful card with your message on it

aaaaaand, the pièce de résistance:

- An original dance solo created for you by an Invertigo dancer, based on prompts you supply. This is a one-of-a-kind gift, made for you and yours, by us.

We'll send it to your chosen person, and we'll send a copy to you as well.

We're asking for a suggested donation of \$25 per care package that goes directly towards paying the dancers. A suggested donation of \$50 will go towards the dancers and will also support Invertigo's community and artistic programs to keep Invertigo floating through these... "unprecedented" times... ugh, there, I said it.

You can make [your donation](#) here.

Then fill out [this form](#) and we'll get to work putting together some magic for you.
